Now cover the key words and try to complete the text.

Here’s a ______________________: when you next visit London, try to walk 100m without __________________________ a Pret a Manger. The British sandwich chain with a French name has so many branches in the capital city that you can’t __________________________ trying it out. The menu includes ________________ sandwiches, filled baguettes, soups, salads and coffees. Nothing special about that, so why is it so successful? The marketing __________ speaks of handmade, natural food without any ________________ chemicals. The sandwiches are made fresh at each location. Service is fast. Where Starbucks has just one __________, Pret has three or four. Employees ________________ in the ________________ process and ________________ are awarded on the performance of the entire team. ________________ unsold food is given to the __________________________ at the end of the day. So, the secret is healthy fast food, served with a smile and a ________________ of goodness too.
